

PADDED RESIN CHAIR

INSTRUCTIONS

Please read and share with responsible entity to avoid additional fees.

Chairs must be stacked in quantities of 25 on the pallets provided and strapped as were delivered. We recommend you taking a picture of the stacked chairs at delivery to use as a reference.

BUCKLE MUST BE
POSITIONED AT
TOP OF STACK

Unless contracted in advance with labor costs applied, you are responsible for the setup and teardown of chairs as well as restacking prior to our scheduled pick up. Chairs must be in the same location as were delivered for the scheduled pickup.

A fee of \$50.00 per man, per hour will be assessed to orders not meeting these conditions.
